

Green Card request form

If you intend to travel to any countries within the European Union from 29 March 2019, you will be required to carry with you a Green Card, which confirms your vehicle is adequately insured.

MS Amlin can produce this for you; however we must receive your application for a Green Card at least 5 working days prior to your date of departure. Each vehicle will require a separate Green Card.

Please ensure this form is fully completed in BLOCK CAPITALS, to avoid delays.

Once completed, please email this form to us at fleetadmin@msamlin.com
