

MS  **Amlin**

Ocean Hull

Where innovation takes the lead

The offshore industry is a highly dynamic market. It is a world in which specialised professionals, use unique, innovative vessels to perform special tasks. Naturally, owners of these specialised vessels require equally special insurance cover to fit their unique requirements. This calls for an insurer with extensive experience, a flexible approach and a detailed understanding of the latest developments affecting the market.

At home in specialised vessels

Widely recognised for our experience and expertise, MS Amlin has played a leading role in this market for many years. With a strong focus on specialised tonnage, we help shipowners protect their assets and limit their liability exposure. This includes:

- Dredging
- Off-shore
- Anchor-handling
- Heavy lift
- Contractors and tugs
- Towage voyages and equipment

Global team

We have a large team of dedicated underwriters and claims handlers. This highly focused approach sets us apart. And because we are prominent both in local markets and internationally, we can service our insureds in the best possible way – wherever they are.

Your partner for a new world of opportunity

We understand your world, we have the necessary expertise and resources, and we're ready to work with you over the long term, together opening up a new world of opportunity.

We offer

Conditions used include various standard market wordings, such as:

- Institute Hull clauses
- Standard Dutch Hull form
- Nordic plan
- Dutch working clauses
- American Hull clauses

Flexibility

We offer flexibility in rating and conditions, driven by the needs of the client. We take a holistic approach, looking not only at the specific hull risks, but also at the broader scope of financial protection for the company as a whole. We lead approximately 80% of the business we write.

Dedication

Our technical expertise is renowned, but it is our dedication to our clients that sets us apart. We are in contact with our top maritime clients on a regular basis, helping them to resolve complex issues and tailoring insurance coverage for them as needed.

We choose to work with selected brokers with specialist knowledge and expertise, which enables us to service our insureds in the best possible way.

We can offer limits up to EUR 75m.
