Fishing Vessel P&I

An honest living deserves an honest insurance policy

Your vessel is your income. And your income needs to be protected. Our tailored Fishing Vessel P&I cover does exactly that. A truly tailored product in combination with our 24/7 worldwide available assistance provides continuity in an uncertain world.

Cover can be divided into the following main areas:

- **Third-party liability** – Costs and expenses arising from your legal liabilities to third parties caused by your fishing vessel, but also caused by crew members are covered. This can include personal injury claims, collision or pollution.
- **Fishing nets and gear** – Liabilities resulting from damage caused to nets or gear of others are covered.
- **Crew** – As the owner of a fishing vessel, you are considered to be responsible for the care and safety of the crew that you hire. Medical costs, sick wages, the costs of repatriating an injured crew member and hiring a replacement, as well as compensation costs arising from illness, permanent injury and death are covered. If you have to change course to land a sick or injured crew member, the extra costs resulting from this are covered.
- **Personal effects of crew** – Loss of personal effects of your crew members are covered.
- **Wreck removal** – Wreck removal costs following the loss of your vessel are covered.
- **Contractual liabilities** – We can cover your contractual liabilities resulting from contracts with terminals, yards, ports, suppliers and others.
- **Fines** – Fines following accidental breaches of immigration laws, smuggling or pollution are covered.
